

Jaguar Remanufactured ABS ECU

Black Dog Manufacturing now offers an alternative to that expensive Jaguar ABS ECU only available new thru the dealer. These are remanufactured ECU's that have been inspected and repaired to meet OE working specifications.

Product Description

These are Jaguar remanufactured ABS ECU's and have been pretested before shipment. There is a core for this product, which can be refunded once the old one is sent back to us and is rebuildable.

Features & Benefits

- Less Expensive than the Dealer Alternative
- Meet OE Specifications
- Pre-tested for working conditions
- In stock and ready to ship
