

Remanufactured Jaguar Engines

Motorcars LTD understands that replacing your Jaguar Engine with a new one can get quite expensive. A Black Dog Remanufactured Engine is a lower priced solution. With Motorcars Quality Control you can be assured to save money and have piece of mind that our Remanufactured Jaguar Engines will perform to new standards.

Product Description

Our Remanufactured Engines meet or exceed factory specifications. We install new steel liners and use only the highest quality gaskets sets. Our 4.0 engines come with a new oil pump, new steel upper tensioners, new timing chains, and guides. These remanufactured Engines are in stock and ready to ship. Remanufactured Engines carry a 12 month unlimited mileage warranty.
