

Remanufactured Jaguar Blower Motors

Black Dog Manufacturing, a division of Motorcars Ltd, offers a remanufactured A/C Blower Motor using the core of an original equipment Jaguar Blower Motor assembly. Our Jaguar Blower Motors are exact replacements for the factory unit and includes a 1 year 12,000 mile warranty.

Features

- Less Expensive than the Dealer Alternative
- Meet OE Specifications
- Exact replacement of the factory unit
- New Electronics and New motors
- Pre-tested for working conditions
- In stock and ready to ship

Product Description

Black Dog Manufacturing installs a new blower motor, new blower wheels, new relays, and restores the linkage operation and insulation. A rebuildable Jaguar blower motor core complete together with electrical connectors is required on an exchange basis.
